

## The AGS Marketing Support Program

### Your Challenge...

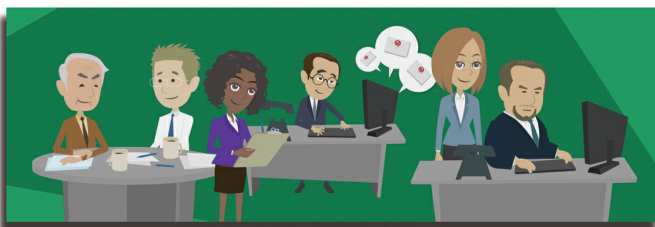

**Business Development and Increasing Sales**  
*Without Spending an Arm and a Leg*

Ongoing Growth is Essential – and growing without solid marketing can be really tough. The AGS Marketing Support Program gives you the Solution – a cost-effective gateway to meeting your goals for **Business Development and Increasing Sales**.

At Arvin Global Solutions (AGS), gear manufacturers are telling us that Business Development and Increasing Sales is a top concern. This is why we have developed **The AGS Marketing Support Program** - a proven method for maximizing your market exposure at a cost that fits any company's budget.

### How The Program Works

Working closely with your team, we develop a Customized and Prioritized Plan to implement our proven 12 Best Practices for Marketing a Gear Company. Then our team of Gear Industry Marketing Experts systematically work this plan - moving you closer each month to accomplishing your goals.

*The AGS Marketing Support Program gives you access to a Full Service Marketing Team on a Part-Time basis. And there are no long term contracts, which means flexibility.*

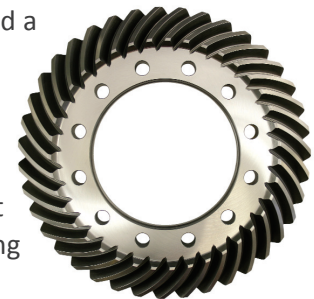

### ...Our Solution

### Marketers Who Know Gear Manufacturing

Marketing Experts know the proven connection between Sales Growth and a Solid Marketing Program. The challenge - finding Marketing Experts who know the Gear Industry - and gaining access to that expertise without spending an arm and a leg.

**The AGS Marketing Support Program** solves these challenges.
